**Public Comments**

No public comment

**Approval of Minutes**

The minutes from the May 3, 2012 meeting were approved as presented.

**Subcommittee Reports**

**Right to Know and Certification Committee-** Nothing to report.

**Public Education and Information Committee-** Brochure

**Training and Membership-** Nothing to report.

**Emergency Response and Resource Committee-** After doing some research Judge Head met with this subcommittee. The LEPC is should receive about 245 Tier 2 Reports and we are not receiving all of them. In those cases the LEPC would them go and visit each business not turning in a report.

**Hazardous Materials Facilities Liaison Committee-** Nothing to report

**Presentation:**

A presentation was given by Billy Kinch, Safety Officer and Disaster Preparedness Coordinator with Covenant Health Systems, on Covenant's disaster preparedness initiatives. The group was also given a tour of the Decontamination Trailer.

Meeting was adjourned
