“Welcome to the official Servicemembers Civil Relief Act (SCRA) website”

On the screen you must select a request option - please select “single record request” to continue.

If you have more than one defendant you must enter each defendant separately.

If you Select multiple on that screen it will force you to create a name and password.

*******If you don't have social security Type zeros *without* dashes in both columns of the social security and leave out date of birth —OR—**

Type in date of birth if you have it. If you do not leave that column blank

*******Please Be Aware – The Social Security MUST contain the SAME amount of zeros as there are in a regular social security number**
