A Guide for Successfully Completing the Mutual of Omaha Term Life Portability Request Form

Mutual of Omaha appreciates the opportunity to provide you with valuable life insurance protection for yourself and/or your loved ones. So that we can effectively process your request for life insurance under the Term Life Portability Plan, we rely on the information you provide on this form.

This guide provides information and instruction to help you successfully complete and submit the form. Please consult your employer/benefits administrator if you need assistance with information for the form.

About the Form

The Term Life Enhanced Portability Form is a request for insurance under Mutual of Omaha's Term Life Portability Plan. Insurance under this plan is available to employees/members (hereafter referred to as "members") and/or eligible dependents when insurance under a Mutual of Omaha group term life insurance plan (voluntary and/or basic) offered by an employer/group ceases.

A completed and signed form with initial premium payment MUST be mailed to Mutual of Omaha within 31 days after insurance has ceased under the group plan for your request to be considered. All sections of the form are to be completed. Make sure you provide all required information and answer all questions completely and accurately. If information is missing or is illegible (unreadable), the processing of the form will be delayed. Please contact the employer/benefits administrator to determine or confirm information as needed.

Refer to the guidelines for each section below, which provide valuable information to help you successfully complete the form.

Section 1: Employer/Group Information

Provide the name and ID number for the employer/group. The number will have eight characters, beginning with "G000" followed by four additional letters or numbers specific to the employer/group. The original date of hire or date of association for the member must also be provided.

Section 2: Applicant Information

Please provide all required applicant information. If the Member is eligible to port insurance, the member must be the applicant and elect insurance for dependents to be eligible. If the member is not eligible to port insurance, the spouse (in the event of divorce or the employee's death, for example) can be the applicant and is eligible to port term life insurance for her/himself and dependents.

The applicant must be age 70^* or less to be eligible for insurance. Insurance under the portability plan terminates at age 70^* .

To ensure any additional correspondence regarding your request occurs as quickly as possible, check the box to consent to receive future correspondence via email.

Section 3: Dependent Information

To be eligible to port term life insurance, dependents must have been insured under the group plan on the day preceding the day coverage ceased under the plan. If the member is eligible to port insurance, the member must elect insurance for dependents to be eligible.

Section 3: Dependent Information (continued)

In addition, a spouse must be age 70° or less and children age 26° or less to be eligible for insurance. Spouse insurance under the portability plan terminates at age 70° , and child insurance terminates at age 26° .

If the applicant is a spouse, do not provide spouse information in this section.

Section 4: Current Term Life Insurance Amount(s) Eligible For Portability

For the applicant and eligible dependents, provide the term life insurance amount(s) that were both:

- In-force at the time coverage ceased under the group plan; and
- Eligible for portability† (the contract for coverage contained a portability provision).

These are the maximum amount(s) of coverage that can be requested under the portability plan.

†You may have had group life insurance under a Voluntary Term Life Insurance plan, a Basic Life Insurance plan, or both, from the group. Any plan must include a portability provision for the insurance available to you under the plan to be portable. It may be possible that the insurance you had under a Voluntary Term Life Insurance plan is portable, but the insurance you had under a Basic Life Insurance plan is not, for example. Please consult the contract for each plan or the employer/benefits administrator to determine if portability is available.

Section 5: Monthly Rates Per \$1,000 of Insurance

These are the monthly rates per \$1,000 of insurance that apply under the Term Life Portability Plan.

The member and spouse rates are age banded, which means that the premium for member and spouse insurance is assessed according to age – as the member or spouse age and advances to the next age band, premiums for insurance will increase accordingly. The initial premium payment is based on the current age of the member or spouse. The child rate does not vary by age.

If the term life insurance offered by the group included an accidental death & dismemberment (AD&D) insurance rider, you are also eligible to port AD&D insurance in an amount equal to the amount of life insurance ported, if you so choose. This rate is the same for member, spouse and child(ren) and does not vary by age.

The rates presented in Section 5 are used in Section 6 to determine premium for insurance under the portability plan.

Section 6: Portability Insurance Election & Initial Premium Payment Calculation

To complete insurance election and initial premium payment calculation, the type of insurance requested must be indicated, then premium amounts must be calculated for each individual for whom ported insurance is being requested, and a billing mode must be selected.

First, select the type of insurance requested, either "Life Insurance Only" or "Life and AD&D Insurance." If the term life insurance offered by the group included an accidental death & dismemberment (AD&D) insurance rider, you are also eligible to port AD&D insurance in an amount equal to the amount of life insurance ported, if you so choose.

Next, do the following to complete this section:

- (1) Provide the first name of each individual for whom ported insurance is being requested.
- (2) Provide the Insurance Amount each individual is requesting (rounded up to the nearest \$1,000), subject to the following:
 - The Insurance Amount for each individual must be less than or equal to the amount of insurance the individual had when insurance ceased under the group plan, not to exceed \$500,000. The maximum amounts are equivalent to the Current Insurance Amounts indicated in Section 4.
 - The Insurance Amount for the employee must be \$10,000 or more. The Insurance Amount for spouse must be \$5,000 or more, and for child(ren), \$2,000 or more.
 - If the applicant is an employee, dependent spouse and child(ren) insurance amounts must be less than or equal to 50% of the insurance amount applied for by the member.
 - Insurance Amount(s) must be in increments of \$5,000 for the member and/or spouse. (Example: \$10,000 and \$25,000 are acceptable insurance amounts, but \$12,000 and \$27,000 are not.) The Insurance Amount for child(ren) must be in \$1,000 increments.
- (3) Calculate the Coverage Factor for each individual, by dividing your Insurance Amount (2) by 1,000. (Example: \$25,000 / 1,000 = 25; 25 is the Coverage Factor.)

Section 6: Portability Insurance Election & Initial Premium Payment Calculation (continued)

- (4) Insert the appropriate monthly rate per \$1,000 of insurance for each individual, for the current age for member and/or spouse. Rates are provided in Section 5. If you are requesting both life and AD&D insurance, you must add the AD&D monthly rate per \$1,000 (\$0.060) to the life monthly rate per \$1,000 to obtain the appropriate monthly rate per \$1,000. (Example: The appropriate monthly rate per \$1,000 for a 34 year old applicant requesting life and AD&D coverage is \$0.254 (\$0.194 for Life plus \$0.060 for AD&D).)
- (5) Calculate the Monthly Premium for each individual, by multiplying the Coverage Factor (3) by the Monthly Rate (4).
- (6) Calculate the Total Monthly Premium, by adding together all of the amounts in the Monthly Premium (5) column.
- (7) Select a billing frequency. To pay premium every 3 months (quarterly), insert a "3" into column (7). To pay premium twice a year (semi-annually), insert a "6" into column (7). To pay premium annually, insert a "12" into column (7).
- (8) Calculate the Initial Premium Payment, by multiplying the Total Monthly Premium (6) by the Billing Frequency (7).

Section 7: Beneficiary For Death Benefits

You must designate a beneficiary for any life insurance proceeds in the event of your death. You (the applicant) are the beneficiary for any dependent life insurance.

If you wish to designate additional beneficiaries (beyond what space allows for on the form), please attach an additional sheet of paper to the form that includes the required information.

Section 8: Acknowledgement and Signature

Read the statements in this section. If you understand and agree to the statements, sign and date the form to complete the form. Your signature binds you to the statements in this section, and allows the form to be processed by Mutual of Omaha.

Section 9: Instructions

Follow these instructions to ensure your request is properly submitted and received by Mutual of Omaha. Be sure to include the Group ID Number on any payment, and mail the request form and the payment to Mutual of Omaha as soon as possible after your coverage ends under the group plan.

Remember, to be considered for coverage under the Term Life Portability Plan, your request must be received within 31 days of the date coverage under the group plan ended.

*The ages referenced in Sections 2 and 3 represent Attained Age, which is the age of any individual as of the policy anniversary date of October 1 of a given year. For example, lets say you are 69 years old on October 1, 2015. Your Attained Age for the policy year (October 1, 2015 – September 30, 2016) is 69, even if your 70th birthday is in November. In this example, you are eligible for coverage under this plan until September 30, 2016.
